

# MOUNT CARMEL CENTRAL SCHOOL

## “CARMEL UNVEILS”

*Every month, a new chapter*

May-2026

The MCCS family extends a warm and heartfelt welcome to all parents and students to the new academic year 2026–2027. As we begin this exciting journey together, we look forward to strengthening our bond as a collaborative learning community dedicated to the holistic growth and well-being of every student.

The month of May was filled with meaningful activities and engaging sessions for teachers, parents, and students alike. These initiatives were thoughtfully organized to create a positive, inclusive, and inspiring learning environment, making our school a place where every child can learn, grow, and thrive.

Here’s a glimpse of the memorable moments and activities that marked the beginning of this wonderful academic year.

### TEACHER’S TRAINING PROGRAM

As part of the pre-academic preparations, the teachers underwent an enriching orientation programme from 20th May to 22nd May, conducted by various eminent resource persons. The sessions aimed at enhancing teaching methodologies, classroom management skills, and overall professional development.

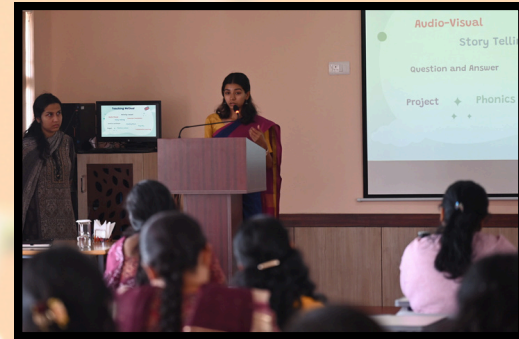

The programme commenced with training on the effective usage of the TATA Edge Smart Board, enabling teachers to integrate technology meaningfully into classroom teaching. Teachers also participated in an interactive curriculum-sharing session, where faculty members presented their respective subject curricula.

On 21st May, a special training session was conducted by resource person Mr. J. Vishwanath, who guided the teachers through various aspects of teaching and learning. The session focused on understanding the role of the brain in shaping students’ behaviour thereby equipping teachers with better strategies to support student learning effectively.

On 22nd May, Mr. Vivek Kumar conducted an informative session on classroom management, assessment, and evaluation practices. Teachers gained practical insights into maintaining a positive classroom environment and were updated on the latest CBSE evaluation guidelines and procedures.

The final session of the programme was led by Ms. Michelle Sonali, the school counsellor, who addressed the common challenges faced by both teachers and students in the learning process. Her session highlighted the importance of emotional well-being of the students

The orientation programme proved to be highly informative and beneficial, empowering the teachers with new perspectives, updated practices, and enhanced confidence for the upcoming academic session.

## BACK TO SCHOOL- ONLINE PARENTS ORIENTATION

To foster a strong partnership between the school and parents, the Online Parent Orientation Programme for the academic year 2026–27 was conducted successfully on 18th and 19th May 2026. The session for parents of Kindergarten to Grade 5 students was held on 18th May, followed by the orientation for parents of Grades 6 to 10 on 19th May.

The orientation programme aimed at acquainting parents with the school’s vision, policies, academic framework, and co-curricular activities. During the sessions, parents were briefed on the rules and regulations of the school, teaching-learning practices, assessment procedures, and various activities planned for the holistic development of students.

The programme served as an effective platform to strengthen communication and collaboration between parents and the school, ensuring a positive and enriching learning journey for every child throughout the academic year.

## OFFLINE ORIENTATION

An Offline Parent Orientation Programme was conducted on 23rd May 2026 to strengthen the bond between parents and the school community. The programme was organised in two sessions — Session I for the parents of Grades 6 to 10 and Session II for the parents of Kindergarten to Grade 5.

The orientation focused on creating awareness among parents about the common behavioural and emotional challenges faced by children during their growing years. Through insightful discussions and interactive sessions, parents were guided on understanding their children better and supporting them with patience, empathy, and encouragement.

The central theme of the programme, “Nurturing Children with Love and Care,” highlighted the importance of positive parenting and emotional well-being in a child’s overall development. The session proved to be meaningful and informative, encouraging parents to build a supportive and understanding environment for their children both at home and in their learning journey.

# BACK TO SCHOOL- FIRST DAY OF THE SCHOOL

The school reopened for students of Grades 1 to 10 on 25 May 2026 amidst great enthusiasm, joy, and excitement, marking the beginning of a new academic year filled with hopes and aspirations. To commemorate the occasion, a special assembly on the theme “Discipline” was organized by the students.

The assembly commenced with a solemn prayer service that invoked God’s blessings upon the school community for a successful and fruitful academic year.

Following the prayer service, the students presented a graceful and captivating dance performance that beautifully depicted the significance of discipline in everyday life. Through expressive movements and meaningful choreography, the performance conveyed how discipline serves as the foundation for success.

A special moment during the assembly was the warm and heartfelt welcome extended to the newly appointed Principal, Sr. Francina.

Addressing the gathering for the first time, Sr. Francina delivered an inspiring message that motivated both students and teachers. She emphasized the importance of discipline as a guiding principle in life and encouraged students to cultivate good habits, maintain a positive attitude, and strive for excellence in all their endeavours. She also highlighted the values of dedication, hard work, integrity, and holistic development, reminding everyone that true education goes beyond academic achievement and contributes to the formation of responsible and compassionate individuals.

The assembly also provided an opportunity to introduce and welcome the new teachers who joined the school for the academic year 2026–27. They were warmly received by the school community and introduced to the students.

The assembly concluded with the singing of the National Anthem. The first day of the academic year came to a memorable close, laying the foundation for a successful and rewarding year of learning, achievement, and character formation.
